## Tuskegee Band Orchestra and

### GLEE CLUB

—AT the Grand Opera House—

This Band of real musicians numbering 47 trained musical artists, under the discipline of the famous TUSKEGEE INSTITUTE has toured a great part of this country but this will be their first appearance in Oklahoma

It was no easy task to induce this organization to visit Tulsa and their coming engagement here is due to the splendid work of local race men who are footing the heavy expense of having them for the amusement and entertainment of all the citizens of Tulsa, both white & Colored

The evening of June 20th will be one long to be remembered by those who spend two or three hours at the Grand Opera House listening to "An orchestra and vocal music" played by 47 students who have entertained large audiences in New York, Philadelphia, Boston, Chicago and every other large city in the country.

Don't miss the one chance of hearing the good old Southern melodies

Come Out, Bring your family, sweethearts & friends
